SR. DIGITAL CONTENT & SOCIAL MEDIA STRATEGIST | UNITEDHEALTH GROUP | M&R, Brand & Growth | MINNEAPOLIS, MN – 2018 – PRESENT

Lead social media strategy and digital content development for the Medicare Made Clear® educational campaign brand under UnitedHealthcare®, including directing the storytelling strategy and creation of innovative new content, imagery, videos, landing pages, webinars, ads and downloadable PDFs. Role has continued to take on more of a content strategy and development focus since early 2019 and is expanding in 2020.

Lead and execute the social media strategy, content and creative development as well as manage community engagement efforts, agency relationships and balance of organic and paid efforts to ensure Medicare Made Clear's diverse audience segment goals are accomplished. Provide strategy and content insight for email, blog and for other M&R team social efforts. Lead cross-team communication strategy for digital video usage and creation for education and coordination with Accessibility Team to ensure compliance of all elements.

SR. COMMUNICATIONS SPECIALIST | STARKEY HEARING TECHNOLOGIES | MINNEAPOLIS, MN – 2015 -2018 | [Communications Specialist – March 2015 – April 2018]

Lead corporate and retail social media for Starkey Hearing Technologies™ and SoundGear™ brand, and provided strategy and educational training to international facilities and customers, to encourage consumer-brand engagement, brand loyalty and drive sales. Lead and develop new B2B R&D blog, short and long-form article industry PR content, wrote and strategized on company magazine *Innovations* and was lead ghostwriter for executives. Ensured seamless communication to our consumers and professionals as the corporate voice of Starkey through social media, digital and print campaigns.

Act as lead and mentor for **both** Starkey Hearing Foundation and Starkey Hearing Technologies **communications/social media interns, and helped** drive public relations campaigns and efforts, including influencer marketing outreach and planning alongside local PR firm and Communications Manager.

Lead all company and product award nominations. Secured seven innovation and product design awards for our Halo and Halo 2 Made for iPhone hearing aids, including, among others, a "Most Brilliant Design Award" from Inc. magazine, the 2017 SXSW Interactive Innovations Award, a Gold Product Design Spark Award, and a 2016 American Business Awards Technical Innovation of the Year.

Highlights:

- Launched first true story-telling campaign for Father's Day, #HearDad

Learner, Achiever, Individualization, Responsibility, Positivity

- Launched first branded Instagram Stories series for brand & industry
- Improved retail sales of hearing aids with new “All Ears” video series in U.S.A.; launched series globally to 22 facilities in May 2018
- Started developing global influencer bench of hearing health ambassadors
- Published in Prevention Magazine and Readers Digest (Dec 2017).
- Developed Starkey Hearing Technologies to be the most engaged social media brand in the hearing aid industry on Facebook, most engaged and numbered in video content, and highest following and overall engagement rates on Twitter, Facebook and Instagram.
- Improved blog viewership by 110% between 2015 and 2016 and 80% between 2016 and 2017.
- Launched and executed blog-tracking campaign for SEO, CTAs and engagement that helped increase engagement, clicks, and leads.
- Launched and executed A/B testing efforts for LinkedIn & Facebook advertising.
- Launched new Facebook videos series “Hear This!” – first in industry—and in April 2017, “All Ears”
- Increased social followings and engagement for Starkey's Facebook (132k+), Twitter (18k+), LinkedIn (22k+) & Instagram. Improved Facebook, Twitter, and launched Instagram for SoundGear.
